

Cacophony (Paperback)

By Molly Taylor

Samuel French Ltd, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. "There's me 'out there', in public, and there's me in here. I know you think they're not the same. But they're not as far away as you think." Created by the Almeida Young Company and written by Molly Taylor, *Cacophony* tells the story of a young woman's rise to fame after speaking up at a protest outside a controversial rape trial. Weaving a complex web of fame and shame, *Cacophony* explores the power social media has to liberate brave new voices and, just as quickly, bring them crashing to earth. Inspired by the ideas in Jon Ronson's book, *So You've Been Publicly Shamed*. "When public shamings are delivered like remotely administered drone strikes nobody need think about how ferocious our collective power might be. The snow ake never needs to feel responsible for the avalanche." JON RONSON *Cacophony* received its UK premiere at the Almeida Theatre from 26-28 July 2018, and transferred to the Yard Theatre from 19-22 February 2019, in a production directed by Michael Bryher.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
